

School Newsletter – 20th December 2024

As we come to the end of the Autumn term, I'd like to thank the school community for your warm welcome to Lantern Lane. It has been a busy and exciting term getting to know pupils and families.

Lantern Lane is a very special place and I am looking forward to working with everyone to continue the school's journey from strength to strength.

*Have a merry Christmas and a happy new year!
Mr. Fowlie and the Lantern Lane team*

Christmas performances

Audiences have been wowed by fantastic performances across the school over the last few weeks. Our EYFS children impressed with their 'Wiggly Nativity', Y1/2 re-told the nativity story and Key Stage 2 children sang and read beautifully in our carol concert.

Pupils across the school were very well behaved on our trip to the pantomime to watch 'Snow White' at Loughborough Town Hall and really got in the festive mood!

Fundraising

A big thank you on behalf of our fundraising group to all those who came along to events, provided chocolate for the tombola and bought raffle tickets!

The money raised goes towards experiences for our pupils and providing equipment and resources.

Spring dates

We'll provide a list of all the dates for the Spring term when we're back in January, but a reminder that the first day back for pupils is **Tuesday 7th January 2025**.

Happy New Year To All

Please remember these rules when on school grounds:

No dogs are allowed on the school site.

No smoking or vaping on the school site.

Please dismount bicycles and scooters when on the school site.

Please park safely around our school site and be considerate of our local community.
